✓ All Audio
Chat Audio

Ⓧ Back   Ⓞ Enter   Berry Ken

If "All Audio" is your choice, please go to Part TWO for further info.
If "Chat Audio" is your choice, there is no need for further settings.

Part TWO:

1. Settings

2. Sound and Screen

3. If "All Audio" is your choice in Part ONE,

Please enable "System Music" and "KeyTone" here.

So you can hear all the sound in headphone.
